

# KWIK KAR AUTOMOTIVE

OKLAHOMA CITY, OK

To all business owners:

**PLEASE READ MY LETTER!!!!**

I've been in business at the same location for 24 years.

Two years ago a signtronix representative showed  
an OLD DOG A NEW TRICK.

To increase sales and profits and to get more customers  
walking thru your door, you simply use the right  
CUSTOMER BAIT. It's that simple!! If you catch their  
eye, you'll catch their business. It's all about what's  
happening on the outside of your business.

You can choose to stand-out or blend in.

You can choose to make money or lose money. It's  
your business and your choice.

My new sign has given my business a tremendous  
amount of public awareness and has  
made me a tremendous amount of  
additional money.

PS Thanks signtronix for showing  
this old dog a new trick!
